MEDICARE FORM

Beovu® (brolucizumab-dbll) Injectable Medication Precertification Request

(All fields must be completed and legible for precertification review.)

For Medicare Advantage Part B:
For other lines of business:
Please use commercial form.

Note: Beovu is non-preferred. The preferred products are bevacizumab (Avastin) first followed by Byooviz or Eylea/Eylea HD. Bevacizumab (C9257) does not require precertification for ophthalmic use.

Would you like to use electronic prior authorization? Consider using **Availity**, our electronic prior authorization portal. Learn more about **Availity** from the links in the table below.

For phone or fax requests, refer to the table below for routing information. To determine which box to use, refer to the patient's Aetna ID card. State specific special needs and Medicare-Medicaid Plans may be designated on the front of the ID card or in the website URL on the back of the card. If you don't see your specific plan listed, call the number on the back of the member's ID card to confirm routing information.

H. ACKNOWLEDGEMENT

Request Completed By *(Signature Required):* _____ **Date:** ____/____/____

Any person who knowingly files a request for authorization of coverage of a medical procedure or service with the intent to injure, defraud or deceive any insurance company by providing materially false information or conceals material information for the purpose of misleading, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

The plan may request additional information or clarification, if needed, to evaluate requests.
