MEDICARE FORM

Feraheme® (ferumoxytol) and Injectafer® (ferric carboxymaltose) Monoferric® (ferric derisomaltose) Medication Precertification Request

(All fields must be completed and legible for precertification review.)

For Medicare Advantage Part B:
For other lines of business:
Please use commercial form.

Note: Feraheme, Injectafer, and Monoferric are non-preferred. The preferred products are Ferrlecit (sodium ferric gluconate), Infed, and Venofer.

Would you like to use electronic prior authorization? Consider using **Availity**, our electronic prior authorization portal. Learn more about **Availity** from the links in the table below.

For phone or fax requests, refer to the table below for routing information. To determine which box to use, refer to the patient's Aetna ID card. State specific special needs and Medicare-Medicaid Plans may be designated on the front of the ID card or in the website URL on the back of the card. If you don't see your specific plan listed, call the number on the back of the member's ID card to confirm routing information.

Patient First Name	Patient Last Name	Patient Phone	Patient DOB

G. CLINICAL INFORMATION ***(continued)*** – Required clinical information must be completed in its entirety for all precertification requests.

Please explain if there are any contraindications or other medical reason(s) that the patient cannot use any of the following preferred products when indicated for the patient's diagnosis (select all that apply).

☐ Ferrlecit (sodium ferric gluconate) ☐ Infed (iron dextran) ☐ Venofer (iron sucrose)

Please indicate the patient's serum ferritin level: _____

Please indicate the patient's transferrin saturation (TSAT) level: _____

☐ Yes ☐ No Was the serum ferritin and/or transferrin saturation level drawn within the last 30 days?

☐ Yes ☐ No Is this a request for continuation of therapy?

→ ☐ Yes ☐ No Does the patient have a contraindication, intolerance or ineffective response to Ferrlecit, Infed, or Venofer?

***For chronic kidney disease indications only*:**

☐ Yes ☐ No Does the patient have iron deficiency anemia associated with chronic kidney disease?

☐ Yes ☐ No Is the patient non-dialysis dependent (NDD) or undergoing peritoneal dialysis?

→ Please explain: ☐ The patient is non-dialysis dependent (NDD) ☐ The patient is undergoing peritoneal dialysis

For all other non- chronic kidney disease indications:

☐ The patient is unable to tolerate oral iron compounds

☐ The patient is losing iron (blood) at a rate that is too rapid for oral intake to compensate for the loss

☐ The patient has a gastrointestinal tract disorder, such as inflammatory bowel disease (ulcerative colitis, and Crohn's disease) that may be aggravated by oral iron therapy

☐ The patient is unable to maintain iron balance on treatment with hemodialysis

☐ The patient is donating large amounts of blood for autologous programs

☐ The patient has failed to heed instructions for oral iron supplementation or are incapable of accepting or following them

☐ The patient has heart failure and iron deficiency with or without anemia

☐ The patient has iron deficiency and chemotherapy-induced anemia

☐ The patient has iron deficiency anemia due to heavy uterine bleeding

☐ The patient has iron deficiency following gastric bypass surgery and/or subtotal gastric resection and who exhibited decreased absorption of oral iron

H. ACKNOWLEDGEMENT

Request Completed By ***(Signature Required):*** _____ **Date:** ____/____/____

Any person who knowingly files a request for authorization of coverage of a medical procedure or service with the intent to injure, defraud or deceive any insurance company by providing materially false information or conceals material information for the purpose of misleading, commits a fraudulent insurance act, which is a crime and subjects such person to criminal and civil penalties.

The plan may request additional information or clarification, if needed, to evaluate requests.
